A newly renovated building provides safe and secure overnight accommodation for some of the borough's most vulnerable people.

STEP PROJECT

Emergency Overnight Accommodation

Sanctuary Trust has been supporting homeless and vulnerable people in Rochdale for over 20 years.

Opening 11th February 2013 is a brand new project.

With a renovated building and a new staff team we are excited to announce that Sanctuary Trust will once again be providing emergency accommodation, supporting the Government's initiative of No Second Night Out.

Working alongside Petrus Hub, Rochdale Homelessness CAIAS and other services. We are committed to providing a service which helps to end the all too common problem of people rough sleeping.

If you are working with homeless and/or vulnerable people in the Rochdale area and would like to learn more about what we offer, please don't hesitate to contact us.

Alternatively, if you feel you could commit to volunteering some of your time and have a non-judgmental and sympathetic nature we would love to hear from you.
