Environmental Policy

- 1 In the undertaking of daily duties within Sanctuary Trust it is a realisation that all staff associated with the Trust will have an influence on the environment.
- 2 We will commit to adopting working practises that will help to have a positive effect, assist towards continued environmental improvement, prevent pollution and reduce unavoidable negative influences caused by Sanctuary Trust's activities.
- 3 This environmental policy covers all aspects of operation. In particular Sanctuary Trust will endeavour to:
 - 3.1. reduce the amount of waste generated by reusing and recycling where possible
 - 3.2. recognise the procurement and use of products/services which have minimal environmental and social impact
 - 3.3. Use energy and water efficiently
 - 3.4. reduce the impact of vehicle emissions by encouraging the application of sustainable principles of travelling and arranging meetings
 - 3.5. provide training/advice and regularly update staff on issues to encourage good environmental practice
 - 3.6. ensure full compliance with environmental legislation relevant to the organisation's activities
 - 3.7. ensure the organisations we associate with are aware of our policies and to encourage them to develop their own good environmental practices
- 4 This policy will be maintained and implemented by the Senior Management Team who are committed to developing organisational action plans and delegated to all teams via relevant managers/leaders.
- 5 Monitoring and auditing progress against these objectives will be monitored through monthly management meetings.
- 6 It is the responsibility of all employees, visitors and contractors to fully support this policy through their active co-operation and participation.
