

Policy

Safeguarding Statement

1. Sanctuary Trust follows local borough safeguarding multi-agency protocols, policies and procedures in each geographical area of operation.
2. Where a local area Safeguarding policy is unclear or where area child protection training is not readily available then Rochdale Area Child Protection policy and procedures will be followed. These can be found on our [internal publications](#) site and at the [Rochdale Borough Safeguarding Children Board](#)
3. North Wales Projects can follow local safeguarding policy, procedure and download reporting forms at <https://www.safeguarding.wales/>
4. Area Service Managers will seek to build relationships and protocol with each administering authority's local area Safeguarding Team and training for all employees and volunteers will be sought.
5. Where the local area policies are not applicable please follow our "Vulnerable Persons Policy and reporting procedures".
